

MEMBERSHIP APPLICATION

If you're interested in saltwater fly fishing, you'll be interested in our club. We were the first club on the west coast devoted to saltwater fly fishing. Founded in 1968, we are a small club of friendly people. No one gets lost in the crowd, and experts are always available for advice and consultation.

Club outings are held all over Southern California, as well as occasionally venturing south of the border to Baja. Separately, club members travel all over the globe in pursuit of saltwater fly fishing quarry.

Meetings are held every other month, and programs include fly tying, fishing discussions, and informative slide shows and presentations. We also have dinners, barbecues, demonstrations, and other interesting events.

Fishermen and women of all skill levels are welcome.
